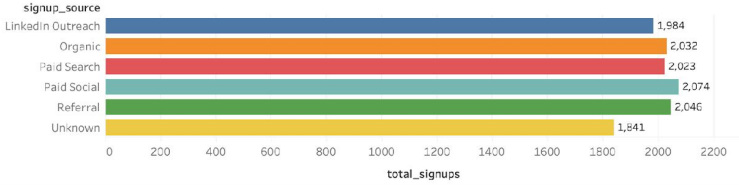
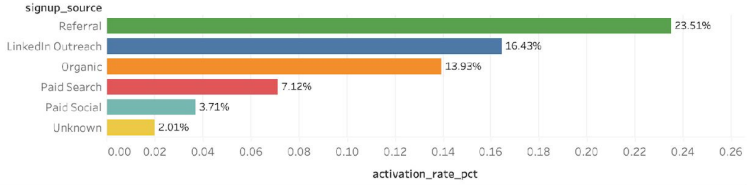
Signups by Channel

Volume is balanced across channels. Referral is smallest but highest quality.



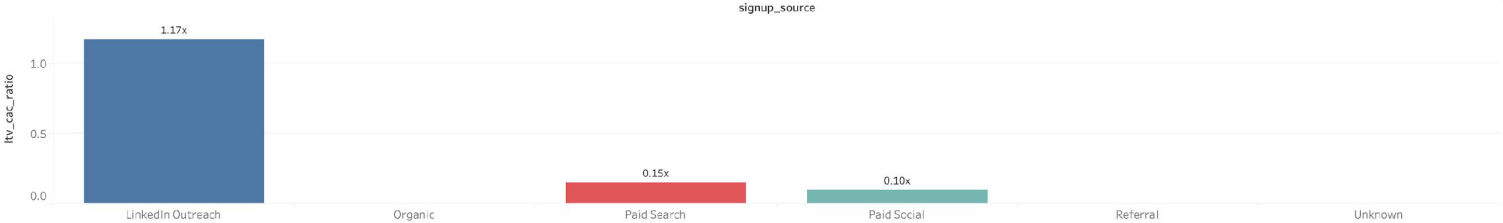
Activation By channel

Referral and LinkedIn outperform paid channels significantly



Cost Efficiency - Organic/Earned, Paid, Unknown / Untracked Channels (LTV:CAC Ratio)

A ratio above 1.0 means lifetime payouts exceed acquisition cost. Only LinkedIn outreach is profitable; paid search and social are deeply negative.



Channel Cost Metrics

Organic and referral have $0 spend — all return is earned, not bought.
